

GENERAL MEETING MINUTES, GFGS, MAY 12, 2022

Larry Spicer, President, called the May 12, 2022, Great Falls Genealogy Society General Meeting, held via Zoom, to order.

Minutes of the April General Meeting were read by the members. Marie Bertie moved that the minutes be approved, Bev Eayrs seconded the motion, carried.

Cheryl Lucas gave the Treasurer's Report. Bev Eayrs moved that the report be accepted, Marie Berti seconded the motion, carried.

Membership: No report

Research: No report

President Larry Spicer presented the Acquisitions Committee Report. There were no recommendations for purchase. Cheryl Lucas moved that the report be accepted, Linda Long seconded the motion, carried.

Cheryl Lucas gave a Projects update. Progress continues to be made on the scanning of O'Connor records. There are always projects to work on.

Publications/Publicity: No report

Tech Committee: No report

Old Business—We still don't have a date from FamilySearch as to when they will begin scanning. Aaron from the Public Library has not gotten back to Larry with the information of what the Library requires of us regarding insurance. Cheryl Lucas is working on the wording of the "Electronic Meetings" portion of our Constitution and Bylaws.

New Business—The Board voted that no further General Meetings be held until September. Marie Berti moved the acceptance of the Board's recommendation, Cande Recke seconded the motion, carried.

There was no program for the meeting, since we were running competition with Black History Month events at the Public Library. A lengthy discussion took place, acquainting out-of-town members with aspects of our Society and Library. The meeting was then adjourned.
